ABOUT ME

Hey I'm Joran, a French Flutter developer from Montpellier. I have spent 2 and a half years developing a project of mine with this incredible framework (#UIToolkit) called Flutter. In parallel, I have used Flutter to create a few projects for companies, friends and myself. Today, I am eager to improve my skills in this language and to work with a team on a complete project.

EDUCATION

UNIVERSITY OF PHYSICS — SEP 2012 - JUN 2015

License of fundamental Physics in Montpellier (France).

PRIVATE SCHOOL — AUG 2015 - JUN 2016

Physiotherapy at Fernando Pesoa in Porto (Portugal).

42 SCHOOL — DEC 2018 - JUN 2020

« 42 School - San Francisco » in Fremont (USA).

EXPERIENCE

COMPANIES

Valratio : JUL 2022 - OCT 2022
